

Rosetta Art Tribute

A repository of artistic tributes to Rosetta, Philae & Comet 67P/Churyumov-Gerasimenko created by artists across the world: Music, Paintings, Sculptures, Poems, Installations, Performances, and more. Maintained by ESA on an unofficial, best-effort basis.

Miky Up: Rosetta

Track from the author's 2015 album 'Tapes Shaker'.

Miky Up, aka Michele Parisi, is a self-taught musician, composer, arranger and author from Nocera Inferiore (SA), Italy. His music is a fusion between the sound research and the contamination of different kinds of music: pop, rock, experimental, electronic, ambient, epic, classic, world, easy listening, lounge...
